

QUICK START COACHING PROGRAM

For Small Business Entrepreneurs and Start-ups

“I wanted to give my heartfelt thanks to BusinessCoach.com for all the help you’ve given TNI. The months that we worked with your organization has brought an increase in sales of over 100%. Your business coaching has also helped TNI become voted the fastest growing small business of the year. You have helped in so many ways with your small business seminars and the individual coaching you have provided me and our members.” – *Tricia Tequida, Owner*

This program is ideal for entrepreneurs who have 1-10 employees or for those who are just beginning their new business venture.

At BusinessCoach.com our specialty is business coaching. We’ve coached over 500 leaders for over 20 years in how to get results in their businesses. We typically work with businesses and organizations that have 20-500 employees.

But now we have an option for those of you who have a vision to grow, but you’re not quite there yet. By popular request amongst our website visitors we’re excited to bring this new program to you.

Getting your business off on the right foot and knowing what actions to take in the beginning months or years is essential. Get your individual questions answered on the spot! Receive the attention you need, and learn from Gary Henson, Industry leader and founder of BusinessCoach.com.

Your time investment will be approximately 1 ½ hours per week and you’ll get your questions answered during the conference coaching calls or Gary will give you on-on-one coaching time for no additional cost. This is a small commitment of your time considering the results we know you’ll receive.

This program is offered at a greatly reduced cost compared to our typical business coaching fees. Now is the time to take advantage to receive the best coaching available to small business entrepreneurs.
